Privacy Policy

Your California Privacy Rights

Under California's "Shine the Light" law, California residents who provide personal information in obtaining products or services for personal, family, or household use are entitled to request and obtain from us once a calendar year information about the customer information we shared, if any, with other businesses for their own direct marketing uses. If applicable, this information would include the categories of customer information and the names and addresses of those businesses with which we shared customer information for the immediately prior calendar year (e.g., requests made in 2019 will receive information regarding 2018 sharing activities).
To obtain this information on behalf of Ford Motor Company's Ford and Lincoln U.S. operations please send an email message to calprivy@ford.com with "Request for California Privacy Information" on the subject line and in the body of your message. We will provide the requested information to you at your e-mail address in response.
Please be aware that not all information sharing is covered by the "Shine the Light" requirements and only information on covered sharing will be included in our response.
For an explanation of our privacy practices please review our privacy statement by clicking the "Privacy" link on our home page.

DISCLOSURES

Note.
Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the Site, the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. SYNC® is an optional feature. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. Optional Navigation System map updates cannot be received via Wi-fi® and require a separate update.

28.

The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility.
